are of the opinion that the teachers are always effective in communicating class lessons and 30.4% students opined that they are 'mostly satisfied' with classroom communication skills of the teachers. 45.5% and 32% of the respondents said that teachers are 'everytime' and 'usually' able to identify the weakness of the students and help them overcome them individually. 46.6% of the students 'strongly agreed' that teachers encourage them to participate in extracurricular college activities. 43.9% and 33.2% of the students responded that teachers are regular and punctual in the class, 'every time' and 'usually' respectively. 47.8% of students said that the existing Library Rules and Regulations are 'good' and helpful for them. 49.8% of students agreed that Library Staff are co-operative and helpful. 50.2% of students further stated that Office Staff are co-operative and helpful. 40.3% of students agreed that college provides Common Room, Indoor Sports and Gymnasium facilities to them. 51.8% of the students reported that the college organizes Annual Games, Sports Meets and other cultural activities for students; 25.4% said that college 'frequently' organizes such events. As per the rating on the Academic Reputation of the institution, 53.4% and 35.2% of the students rated 'good' and 'very good' respectively. As per the report on the satisfaction based on Educational Experience of the students in the college, 40.3% and 34.4% of the students marked 'good' and 'very good' respectively.

Further Scope and Recommendations : Despite the positive reviews received from the students collectively, there are certain areas where the faculties and administration can further work co-efficiently for a seamless running of the institution. Teachers will perpetually aim at communicating class lessons to students in a more lucid and effective way. Individual attention to the students will be further enhanced for an even better functioning of the institution. More and more students will be encouraged to participate in extracurricular activities of the college. The college aims to impart better access to library facilities to students and teachers in terms of better Wifi connectivity and other useful library resources. Online facilities in the library will be further built up. The college staff have always been active and adept at answering queries of students; their activities and services will remain up to the mark and of even higher standard for future academic
